

## TWELVE SIGNS THAT A CURSE IS OPERATING AGAINST YOU

### **Deut. 28: 66**

*Your life shall hang in doubt before you; you shall fear day and night and have no assurance of life.*

Every curse creates a negative mindset and mentality. Instead of expecting good things, one expects the opposite. It produces a pessimistic view of life with no vision for the future.

### **Deut. 28:19**

*Cursed shall you be when you come in and cursed shall you be when you go out.*

No matter where you go, you can't seem to escape bad things happening. They seem to chase you down. Nothing seems to go right even when things seem to be in place for your good.

**Deut. 28:29** *And you shall grope at noonday, as a blind man gropes in darkness; you shall not prosper in your ways; you shall be oppressed and plundered continually and no one shall save you.*

There is no vision for life, no purpose, no sense of destiny. You live aimlessly as if there is a film over your eyes preventing vision from developing.

**Deut. 28:30** *You shall betroth a wife but another man shall lie with her; you shall build a house but you shall not dwell in it.*

Your home and your marriage will be damaged and destroyed.

**Deut. 28:41** *You shall beget sons and daughters but they shall not be yours; for they shall go into captivity.*

Children are taken captive by drugs, alcohol, peer pressure, depression or other ungodly influences. A major goal of the enemy is to steal the children of believers and then oppress the parents with guilt and condemnation.

**Deut. 28:38** *You shall carry much seed out to the field but gather little for the locust shall consume it.*

There is little to no prosperity. You sow much but reap little. The harvest is not commensurate with the seed because a devouring force eats it up. You don't receive what should naturally occur according to the Word. You work hard but the results are not equal to your labor. The answer is not to work more hours but to break the curse.

**Duet. 28: 27** *The Lord will strike you in the knees and on the legs with the boils of Egypt, with tumors, with scabs and with the itch, from which you cannot be healed.*

Sickness and disease that does not respond to prayer and medical treatment is a sign that a curse may be operating against you. The purpose of a sickness that classifies as a curse is always to weaken your faith in order to destroy you through any ‘legal’ loophole the devil can find.

**Deut. 28:40** *You will have olive trees throughout all your territory but you shall not anoint yourself with the oil, for your olives shall drop off.*

The anointing for your life will be diminished or obliterated – a lack of oil always represents an absence of the power of the Holy Spirit.

**Deut. 28: 34** *So you shall be driven mad because of the sight which your eyes see.*

Mental and emotional issues that persist in spite of treatment and prayer can be traced to curses operating through the family bloodline, as well as unrepentant sin and undisciplined flesh.

**Deut. 28:31** *Your ox shall be slaughtered before your eyes but you shall not eat of it. Your donkey shall be violently taken away from before you and shall not be restored to you. Your sheep shall be given to your enemies and you shall have no one to rescue them.*

Your possessions, ideas and inheritances will be stolen from you. This is one of the most frustrating and angering experiences that people have – when something that was yours or meant for you ends up in someone else’s possession.

**Deut. 28:43** *The stranger that is among you shall rise higher and higher above you and you shall come down lower and lower.*

You are bypassed for promotions. One of the accuser’s favorite things to do is to keep God’s people out of places of importance and influence.

**Deut. 28:23** *And your heavens which are over your head shall be bronze and the earth which is under you shall be iron.*

Your prayers are not answered as you expect even when you pray in sincere faith. When a curse is operating against you, prayers that should be answered appear to go unnoticed. Once again, the accuser is seeking to sow doubt, weaken your faith and ultimately to make you angry at the Lord.
